Q3/2020

Hungarian employers report downbeat hiring intentions for the third quarter of 2020, due to the COVID-19 outbreak. The survey findings are likely to reflect the impact of the global health emergency and may be notably different to previous quarters. Forecasts are 5 percentage points weaker than this time one year ago.

463 Hungarian employers were asked:

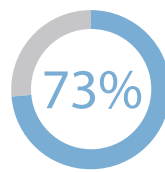

how do you anticipate total employment at your location to change in the next three months compared to the current quarter?
